

## WMCC HISTORIAN SPEAKS OUT!

Do you have boxes and boxes of minutes, programs, photos, and everything else sitting at church or in someone's basement? Don't know what to do about it all or have anyone willing to go through it?

As Historian for the WMCC my job is to archive historical documents from our conference. I did this with my church's (Milwaukee, WI) Women Ministries files about five years ago, going through old minutes, "Sweetheart Dinner" menus, mission project notes, and everything else from the 1950s and on. It's amazing to see the legacy and blessing the work of women can do, not to mention the different hairstyles and clothing!

So, I am putting out a call to all the churches in the Central Conference for ANYTHING! I plan on organizing any material in key areas such as Missions, Social, administrative, and so forth, so we have a historical picture of WMCC at our fingertips, and to display at events such as retreats.

You do need to know what you send will become part of our Women Ministries permanent collection. As not everything is historically relevant, I will also weed out what isn't necessary and put in the recycle bin. Any photos? Please identify people, dates, events and place if you can.

Even though I am a lifelong Covenanter, I will probably not know names. Please let me know if there are any women in your material who were truly inspirational or instrumental in the life of your church.

Now that you know particulars, please contact me! My email is [j92160 \[at\] aol.com](mailto:j92160@aol.com) and my phone is 414/861-5601. If you have any questions, or – better still – have something for me, please call!
