### Modern Day Slavery

- Human trafficking is growing every year.
- 600,000 - 800,000 people are trafficked across international borders each year.
- 80% are women and girls.
- 60% are minors.
- The majority are enslaved in the sex trade.
- You can help!

Proceeds fund **New Day for Children**

A developing shelter providing housing and counseling care to young girls rescued from sex trafficking in North America.
