Youth Family Community Renewal's  
"Project TEAM" (Together Everyone Achieves More)***

**WHO WE ARE**

Youth Family Community Renewal (YFCR) is an outreach ministry birthed out of Gary Covenant Church in Indiana that assists families who have children who are not meeting school attendance, academics, and/or behavioral standards.

**OUR MISSION**

Y.F.C.R. is to empower parents and youth to value their city and serve; to impact their community positively, becoming "Victors rather than Victims" Economically, Educationally and Morally.

**PROJECT TEAM**

The Lord has blessed us with access to much needed Food Items to provide nutritional meals to children and families every day. However we do not have adequate or safe storage facilities. We need Commercial Freezers and Refrigerators for proper storage. **Women Ministries of the Central Conference has chosen to assist us in raising finances to purchase a new Commercial freezer.**

**Please make checks payable to: WMCC
